

Georgia's State Water Plan

Middle Chattahoochee Water Council Meeting 2 Agenda

Goals:

- 1) Finalize the Council's operating procedures and rules for meetings. Execute the MOA with the Department of Community Affairs and the Environmental Protection Division.
- 2) Review the population and employment forecasts and provide input on the developments affecting employment in the region and developments affecting population and housing in the region.
- 3) Gain a broad understanding of Georgia's current agriculture water use and demand.
- 4) Identify the purpose and nature of the water resource assessments that EPD is conducting for regional water planning.
- 5) Continue the process of creating a regional vision.
